Cover Photo: An M115A2 Artillery Ground Burst Simulator explodes to simulate indirect fire from an Opposing Force (OPFOR) at Fort Greely, Alaska, at night on 17 March 2022. Artillery has once again proven a decisive threat during the War in Ukraine, incentivising the training of forces to operate in an artillery-heavy environment.

European Security & Defence

MITTLER
REPORT

ESD INTELLIGENCE FOR THE INTELLIGENT

Media kit:

Published monthly,
EUROPEAN SECURITY & DEFENCE (ESD)
is the leading defence and security trade journal
in and for Europe.

Organised in four dedicated sections of interest –
Politics, Armed Forces, Armament & Technology, and
Industry – every issue responds to the information
requirements of the European and global defence
and security community.

We have the readers. Print and digital.
